NEWS OF OUR MEN and WOMEN IN UNIFORM

Pictures from New Guinea

Mrs. M. H. LeVeille has received these interesting pictures from her son, Sergeant Edward Jones, U. S. Army. The sergeant is pictured at the right above. To the left is a mission. The lady at the lower left is one of the natives of New Guinea.

Sergeant Jones has now left New Guinea and is seeing action in the Philippines. During his more than 20 months overseas he has been in Honolulu, Australia, New Guinea, and now in the Philippines. He was in the attack on Leyte. His home address is 387 Hanover street. His brother, Private First Class Paul Jones is in England with the U. S. Army, and his step-brother, Frank LeVeille serves with the U. S. Navy. The latter is now in Florida, just recently returned from France.

General Sultan's Headquarters, Myitkyina — Promotion of Roy J. DeVincenzi, 280 Hillcrest drive, from Private First Class to Corporal has been announced at this headquarters.

Corporal DeVincenzi, a graduate of Jefferson Union high school, was employed by the U. S. Army Engineers in a civilian capacity prior to his induction into the service at the Presidio of Monterey in January, 1943. He has been overseas since July of that year. He participated in the campaign in Northern Burma which culminated in the capture of the key city of Myitkyina last August. His family lives at the Hillcrest drive address.

NOW OVERSEAS

Private A. Leslie Greig, above, has been overseas for four months. This snapshot is a picture one of his friends took of him in a foxhole in France where he is serving with General Patton's Third Army.

A graduate of Jefferson Union high school, he is the son of Mr. and Mrs. A. A. Greig, 638 Hanover street. Sergeant Roy Welch, 225 Flournoy street, is a member of the 81st "Wildcat" Infantry division in the Southwest Pacific. He was recently awarded the Combat Infantryman badge.

Private First Class Raymond Hurlbut and his wife were visitors during the Christmas holidays at the home of his parents, Mr. and Mrs. Walter Hurlbut, 173 San Diego avenue.

Hurlbut, who attended Jefferson Union high school, has been in the service two years now. He is stationed at Camp Beale, California.

The wife of Hugh Smith jr., former city councilman, now serving with the Army in Dutch New Guinea, recently received this snapshot from overseas.

Smith is attached to a Headquarters, Army Engineer Service group, at a base in New Guinea. In the past few weeks he met his brother, George Smith, at the island. This was the second time in eight months that the two have had a chance to say "hello." George is doing shuttle duty with the U. S. Merchant Marine between the various South Pacific islands.

No More Games!

Al Erle, who has been booking the popular Sunday baseball games at Marchbank park, announced this week that there will be no more games.

Erle hopes that by spring a schedule of baseball games may be set up for the local diamond.

Draft Board Reconsiders 2-As

Under the new work-or-fight order from State Selective headquarters, Daly City Draft Board No. 103 is making a survey of all its 2-A registrants. All men under 38 not in essential work or in work which contributes to the war effort will be reclassified, according to Mrs. Isabelle Flynn, chief clerk.

Notices have been sent out by the board to men who will take pre-induction physical examinations January 13, and to the men who are being inducted into the armed forces January 17. January 20, seventeen men will take pre-induction physicals.

The local board has received instructions to send all 2-C men under 26 in for pre-induction physicals the latter part of this month. Most of these are workers on hog and vegetable ranches or are milkers.

The reclassification of men over 38 into 4-A has been completed. Mrs. Flynn reports. As men reach 38 they will automatically be classified 4-A, regardless of type of work or dependents.

Local Police Investigate Theft

Accidents, thefts, and the regular run of drunks, family rows, and complaints occupied the attention of Daly City Police during the past ten days.

January 2, 8:32 a. m., Chief William Bolger and Officer George Hopman went to Alemany Emergency hospital to take a report on two Daly City residents hurt in an auto accident in front of Sid Mark's garage on 101 highway. The officers notified the highway patrol. The local people injured were Joseph Copeland, Colma, and Conni Kaczmark, 251 Willits street.

Harvey Wycke, 253 Double Rock road, San Francisco, and Max Talbot, 255 Knowles avenue, were involved in a street car-pedestrian accident on Mission street between Knowles and Los Banos, January 2, at 9:05 p. m.

While on patrol, January 4, at 1:15 a. m., Officers Roy Beecher, Edward Beecher, and Roland Petrocchi noticed that the lock was off the front door of Tiny's Tavern, 6045 Mission street. Contacting the bartender, Fred Laski, 158 Templeton avenue, they learned that he had locked up at 12:30 a. m. Investigation disclosed that a strong box containing approximately \$130 in silver and checks was taken. Entrance to the place apparently was gained by filing or hack-sawing off the front door lock.

William L. Montgomery, San Francisco, driver of a Red and White cab called the local department, January 5, at 1 a. m. to report that a man whom he had just transferred to a Daly City cab had confessed to bashing in the head of an acquaintance in San Francisco. Officers R. Beecher, E. Beecher, James Welsh, and Petrocchi overtook the cab traveling south on Mission toward Daly City. After questioning the self-accused murderer, Elwyn L. Scribner, Sunnyvale, they turned him over to Inspectors George Wolfer and L. Lang of the San Francisco Police department. His story as related to both the cab drivers was that he had gone to a room on Market street near the ferry with a man he had been drinking with at a nearby tavern. When an argument ensued he hit the man over the head, killing him.

Officers Henry Sundermann jr. and Welsh took James H. Kirby, 819 Hanover street, to Alemany Emergency and later to Community hospital in the ambulance. January 5, when he became suddenly ill while working in the basement at his home.

Jay Johnson, 243 Miriam street, reported that his apartment had

Hope To Find More Daly City Blood Donors

You just haven't time to go to the blood donor center? You can't really mean that if you stop to remember that the wounded can't wait. Whole blood and plasma are needed to save lives NOW. Some other time won't do.

Mrs. Ruth Morris, chairman for Daly City, reports that no local people have given blood at the San Mateo County chapter, American Red Cross center at Julia Beylard hall, San Mateo, during 1945 as yet. She hopes to see this record vastly improved. Two dates on which transportation will be furnished to and from San Mateo are set. They are Saturday, January 20, and Thursday, January 25.

Advance reservations should be made with Mrs. Morris at DElaware 6435. Deadline for the January 20 date is January 17 and for the January 25 date, deadline is January 22. The station wagon leaves from in front of McGraw's pharmacy, 6300 Mission street, at 9:30 a. m. Donors can expect to be back in Daly City by noon. Adults in good health will experience no ill effects from giving a pint of blood in this urgent cause. Mrs. Morris assured. She said that on the morning of the trip to the blood center the prospective donor should not eat breakfast. Coffee, doughnuts, and orange juice will be served at Julia Beylard hall after the donation.

Assisting Mrs. Morris to enlist the cooperation of Daly City residents and organizations are Mrs. Mildred McGeein, R. L. Crane jr., Mrs. R. L. Crane jr., and Mrs. Vivian Pahlka. Any club or association which would like to help in securing more Daly City donors is asked to contact Mrs. Morris for particulars.

Jefferson Union high school is at present conducting an intensified campaign to get local people to serve as blood donors. Any student will be happy to supply a card which will entitle the local school to credit when the donation is made. In the school's drive it makes no difference what blood donor center sponsored by the Red Cross the applicant selects. The donor makes his own appointment at the center of his choosing.

The school asks that if a resident plans to make a donation of a pint of blood that he be sure to get a card from one of the students. Too young to give blood themselves, the students hope that by urging friends and acquaintances to see the need for immediate donations they will have helped in meeting increased quotas of plasma and whole blood ordered by the Army and Navy.

TOWN OF COLMA

When the Town of Colma councilmen met Monday morning, January 8, at the city hall, there were no matters of business to be submitted for their action, according to City Clerk E. A. Weisenburger. The brief session was given over to general discussion of the community's problems.

Moyor Fred Lane presided and other officials present were Councilmen Mattrup Jensen, Peter Barsi, Bartley Flynn, and Paul Delucchi; Clerk Weisenburger, City Treasurer Harry Kempf, City Attorney Charles Gebhardt, and City Health Officer C. E. Lowe.

TWO FIRE ALARMS

In the past week, two fire alarms have called out the Daly City Fire department.

Thursday, January 4, 12:22 p. m., Companies No. 1 and No. 2, supervised by Chief Andrew P. Chesney, Assistant Chief Arthur Bodien, and Battalion Chief Elmer Kennedy, put out a fire in the kitchen at 123 Willits street. The blaze originated near the heater.

Monday evening, January 8, at 7:10 o'clock an alarm from Box 43 called out Companies No. 1 and No. 4 to fight a brush fire at the corner of Templeton avenue and Frankfort street. Chesney, Bodien, and Kennedy supervised the handling of the incident.

Finds City Council In Lengthy Session

Members of the Daly City Council held their first public meeting of 1945, Monday night, January 8, at the city hall. Mayor A. J. Gaggero presided over the session which lasted for more than an hour.

Two resolutions were unanimously passed and adopted, monthly and annual reports were read, several requests were considered, communications were heard, and bills were read and approved for payment.

Resolution No. 861 cancelled taxes, penalties, and costs levied on Lot 14, Block 21, Vista Grande No. 1, owned by the State of California. The city took this action at the request of the State Controller.

Resolution No. 862 authorized the sale of a city-owned portion of Lots 52 and 53, Block C, Mission Street tract, to Mrs. Anna Meyer, 198 Los Olivos avenue. The resolution instructed the mayor and city clerk to execute the deed of conveyance. The property is located at the corner of San Diego and Los Olivos avenue.

In addition to the December gasoline consumption and health and sanitary reports, the annual report on the fire alarm system was read to the council and spectators at Monday night's meeting. Prepared by Arthur J. Bodien, assistant fire chief, the 1944 tabulation showed that 97 calls were turned in during the year. Breakdown of this total listed 22 false alarms. Grass fires, 34 of them, far exceeded any other type of fire occurring during the year. Other types of blazes included electrical wiring, four; house fires, fourteen; chimney fires, four; auto fires, seven; wrecking yard fires, two; gas heater, one; rubbish, five; shed, one; gas leak, one; chesterfield, one; awning, one.

Figures for the past four years on the number of calls over the fire alarm system were given. They were: 1941, 93 calls; 1942, 85 calls; 1943, 142 calls; 1944, 97 calls.

Eldon Mankins, 504 1-2 Liberty street, San Francisco, applied to the city council for a permit to operate a private cab in Daly City. The city clerk was instructed to advise him to contact the Federal Office of Defense Transportation for a special permit to operate before asking the council to make a decision.

Mrs. Cecelia Hale and Mrs. Alene Lehigh, representing the Girl Scouts of Daly City, asked the council for the use of old Company No. 4 firehouse, Peoria street between Evergreen and Crocker. In order to consider the request further and to work out details, a special meeting was set for Monday night, January 15, 8 p. m., at the city hall. At that time, the council, representatives of the Girl Scouts, and members of Company No. 4, D. C. F. D., will discuss the entire situation.

Edmund Cavagnaro, former city councilman, asked the council if anything could be done about the street car service. He pointed out that Daly City residents are often inconvenienced by being forced to leave the No. 14 cars at Geneva avenue. The council asked the city clerk to communicate with the San Francisco Public Utilities commission on the matter, asking improved service for residents of this area.

Others in the audience who took the floor at the Monday night meeting were Julius Castellano, who wanted to know what the city intended to do about Pacific Gas and Electric rates, and George Kirchhubel, who inquired about city water rates.

Members of the city's official family present were Mayor Gaggero, Councilmen Eugene V. Lynch, Howard A. McHugh, and Edward Dennis; City Clerk Ross, City Attorney F. E. Hoffmann, Water Department Superintendent Bodien, Deputy Health Officer Fred Collins, City Engineer R. A. Klassen, and Fire Chief Andrew P. Chesney.

Local Police Investigate Theft

(Continued from Page 1)
been entered between 7 and 11 p. m., January 7. Dresser drawers were ransacked but nothing seemed to be missing. Officers R. Beecher, Welsh, and George Savage investigated.

Search for the Plymouth coupe of Nello Matchetti, 52 Market street, was cancelled, January 8, when the vehicle was recovered in front of Wit's tavern. The evening before, Matchetti reported to local officers that his coupe was taken while he was attending the Daly City theatre. He had parked it in front of 6233 Mission street. Report of the theft was made at 10:40 p. m., January 7.

LIKE TO BOSS RAILROAD CARS AROUND?

Really make 'em move and put 'em where you want 'em? And have a switch engine to do the shoving for you? And work with a good engine crew . . . and see the war freight and the troop trains pouring in? Well, Mister, this is your job if you want it: Switchman with Southern Pacific at about \$220 base pay. (Over-time can make it a lot more.) No experience to start. We train you in a few days, pay you an allowance while training . . . make you a full-fledged railroader. It's a very important job, this. We've got to keep those war trains humping. And we've got a whale of a job ahead of us — which means lots of work ahead for you. Many other jobs open.

See or write S. P. Employment Office, 33 California St., San Francisco 11, or your nearest S. P. Agent.

NOW AT DALY CITY THEATRE

GRUESOME TWOSOME—Raymond Massey, made up to look like Boris Karloff, and Peter Lorre, made up to look like himself, are the season's prize killer-dillers in Warners' comedy hit—"Arsenic and Old Lace"—now at the Daly City theatre.

JEFF HIGH DONATES

Students and faculty members at Jefferson Union high school have donated more than \$85 to the San Mateo County Tuberculosis and Health association to help finance a mobile X-ray unit for the finding of early tuberculosis.

The financing of this unit, which houses equipment for the taking and development of four by 5-inch chest X-ray films and dressing rooms for men and women, was the chief incentive of the annual Christmas Seal sale in San Mateo county, this year. Many Daly City people purchased stamps to help in the project.

LOCAL MAN LOSES LIFE

R. S. Johnson, proprietor of the garage at 5990 Mission street, was reported drowned during a fishing trip on the False river, a tributary of the San Joaquin, over the New Year's weekend.

Johnson made his home at 613 Bellevue avenue, with his wife and son.

January 3 when Antioch police investigated Johnson's delayed return, they found his cabin cruiser drifting with the ignition key still on but the fuel exhausted.

Persons owing tax on 1943 income were urged by the collector to wait until they received their statement before paying.

What to do about beans, macaroni, rice, etc.

Versatile—is the word for these foods—because they can be made the basis for a large variety of low cost main dishes. To make real meals from them—just look at these ideas:

Try serving steamed or boiled rice, spaghetti or noodles in place of potatoes.

Serve macaroni or spaghetti topped with home-made or canned chili for a hearty economy dish.

Make a rice custard from left-over rice—or add it to ground meat dishes, griddle cakes or muffins.

LOAF

4 cups cooked spaghetti, macaroni, noodles or rice	1 cup grated American cheese
2 tbsps. shortening	3 tbsps. finely chopped pimiento
3 tbsps. flour	¾ cup finely chopped green pepper
1½ cups milk	3 eggs
1 tsp. salt	
½ tsp. pepper	

Make white sauce: melt shortening, blend in flour, add milk gradually and cook until thick, about 10 minutes, stirring constantly. Add seasonings, cheese, pimiento and green pepper; cook 5 minutes; add spaghetti, macaroni, noodles or rice. Add well beaten eggs and pour into well-greased loaf pan or ring mold. Bake in pan of hot water in moderate oven (350° F.) 45 minutes or until set; unmold. Serves 6.

BEAN CHILI

3 medium-size onions	1 tbsps. salt
1 bud garlic	3 cups cooked tomatoes
1½ lbs. ground beef	3 cups water
3 tbsps. oil or shortening	2 cups dried pink beans
2 to 3 tbsps. chili powder	
3 bay leaves	

a. Chop onions and garlic. Saute slowly with meat in hot oil or shortening in large heavy frying pan until meat separates, stirring constantly.

b. Add seasonings, tomatoes strained through sieve, and water. Cook slowly 2 hours, stirring occasionally.

c. Pick over and wash beans. Cook slowly in covered 3 to 4 qt. kettle with water to cover until tender, 2 to 3 hours. Add more water as needed to keep beans covered with liquid.

d. Add meat mixture to beans; let stand several hours or overnight. Heat when ready to serve. Serves 8 to 10 generously.

(Note: If beef is not available, other ground meats such as lamb, pork, liver, heart, or combination of these may be used.)

Handy with tools?
This job may be up your alley

This is a good job. And a bit unusual in many ways because it's got just a bit more excitement and real he-man's "stuff" to it than most jobs. The work: Helper in Southern Pacific's big R. California AGRICULTURE

LEADS THE NATION
WITH 20 FARM "FIRSTS"

This is a land of champions . . . the state of California. But a National Champion of all time is our California farmer. According to Uncle Sam's Bureau of Census, California Agriculture is "tops" in 20 items of crop production, wages, equipment usage.

Read the amazing list below and you will see why California is a major source of food supply to the nation and armed forces.

California scores FIRST in:

FIRST IN FARM ELECTRIFICATION

There is a final FIRST for California Agriculture that this company mentions with pardonable pride. It is that California farmers lead those of all other states in the use of electric horsepower. And in the 46 counties into which P. G. and E. lines extend 95.9 per cent of all farms within one quarter mile of a distribution line use electricity for lighting, pumping and other farm labor saving devices.

Availability of electric horsepower to make up for the lack of manpower has meant much to California farmers during these war years.

MISS LEARNED RETURNS

Miss Beth Learned, popular English teacher at Jefferson, resumed teaching again last week after an illness which kept her out last term. Students were glad to see her return.

Miss Kathleen Day, stenographer at the Jefferson Union high school office was rushed to the hospital last week with an attack of acute appendicitis. The best of luck and wishes for a speedy recovery go to her!

SENIORS

Although there will be no graduation for the class of January '45 there will still be a senior ball. The affair, which is always a formal one, will be held tomorrow night, January 12, at the high school auditorium.

Each senior of the graduating class was given ten bids to be distributed as they wished.

As to the theme and decorations the word is "Hush." All seniors are working to make this a success, and to give them a push is Pat Marocco, senior ball chairman.

SENIOR SIDELINES

"I like that one best of all." "You should have smiled just a little bit more." "Oh, let me see them." That's the type of comment heard last week when the seniors received proofs of their graduation pictures.

More comments were forthcoming when the senior rings arrived. The graduating class of June '45 has decided on sweaters and should have them either in January or February.

Friday, January 5, the seniors presented their jinx. The program consisted of films and a piano solo. The films included a Universal comedy entitled "Andy Panda" and one with song selections by famous band leaders and their singers.

Eugene Grant played several piano selections, all of which were songs he himself composed.

Woodrow Unit Arranges Meeting

Mrs. Elsie Hesselein, president, announces that Room 6, taught by Mrs. Ethel Hahn, will present the entertainment for the Tuesday, January 16, meeting of Woodrow Wilson P. T. A. The business session will be called to order at 2 p. m. in the school.

Theme for the meeting is "Conservation in Our Town."

Important projects to be discussed by the members include the rummage sale to be held by the unit to raise funds for life memberships, January 22-23; the graduation party for children of the high eighth grade; the January 25 whist.

Mrs. Florence Hopman, 27 Gambetta street, will be hostess for the Thursday, January 25, whist. The public is invited to this event and playing is to begin at 1:30 p. m.
